

Information We Collect

Swindled is designed to work 100% offline. We do **NOT** collect, store, or transmit any personal data from your device.

We do **NOT** collect:

- Your real Instagram or TikTok account credentials
- Your real name, email address, phone number, or any contact information
- Your location data
- Your contacts or friends list
- Photos or videos from your camera roll (unless you manually select one to use as a fake profile picture inside the app – it stays on your device)
- Any usage analytics or crash reports

Information stored locally on your device only:

- The username you type (e.g., "chimp guru")
- The fake follower/viewer/like/comment numbers you choose
- The profile picture you optionally select from your gallery (for display inside the app only)

This local data is never uploaded to any server and is deleted when you uninstall the app.

2. Permissions Used

- **Storage / Photos (optional):** Only requested if you choose to pick a photo from your gallery as your fake profile picture. The photo is never uploaded or shared.
- **Camera (optional):** Only used if you want to take a new photo for your fake profile picture.
- **Internet:** Not required and not used. Swindled works completely offline.

3. Third-Party Services

Swindled does **NOT** use any third-party analytics, advertising networks, crash reporting tools, or any other external services that could track you.

4. Children's Privacy

Swindled is not directed at children under 13. We do not knowingly collect personal information from children under 13. If you are a parent or guardian and believe your child has provided us with personal information, please contact us immediately.

5. Data Security

Since no personal data is collected or transmitted, there is no remote data to secure. All fake content stays on your device only.

6. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted in the app and on this page with an updated "Last updated" date.
